What is the Cost of Attendance?

The Cost of Attendance (COA) is a student's estimated budget, including direct and indirect costs. The COA includes; tuition and fees, room and board and allowances for books and supplies, loan fees and personal and transportation expenses.

A student's total amount of financial aid may not exceed their COA.

If a student incurs an unusual expense that may affect their standard COA that meets the definition of an allowable cost as defined by the Department of Education the Financial Aid Office has the authority on a case by case basis to adjust the student's COA.

For further information contact the Financial Aid Office.
