

## **Academic Reminders and Residency Requirements**

Make sure you have a tentative academic plan before you see your advisor to register for classes. Your advisor can provide information and perspectives that may help you make decisions, but it is your academic program. It is your responsibility to ensure it is the program you want and need.

Each term, choose three or four academic courses at the appropriate level. Full-time students must take at least 9 academic credits each term. However, to stay on track for a graduation in four years, you will need to take about 11 credits each term. Full-time tuition covers 14.5 credits per term; additional payment is necessary for any more. Keep the following requirements in mind:

### **First Year Requirements**

Two religion courses (100-level) during the year •

Writing 101 (or English 100 for ESL students) •

Math 100 (or test out of it via Math placement test) •

100-level courses unless you get permission for upper-level • courses

### **Second Year Requirements**
