## Welcome New Students!

Welcome and congratulations on choosing Bryn Athyn College. We are thrilled that you will be joining our Lion family!

As a new student at Bryn Athyn, you are bound to have questions. New Student Orientation is designed around you, helping to uncover the answers to the questions you have, and providing you information about campus resources, programs and services. By the time you leave orientation, you'll be on your way to becoming a successful Bryn Athyn student.

During orientation, you will begin to build a network of resources that will help you navigate our Bryn Athyn community. During Orientation, you will find out more about:

- Your major
- Your fall schedule of classes
- Financial aid
- Housing and meal plans
- Books
- On-campus job fair
- Clubs and organizations
- And many other campus resources!

Additionally, during New Student Orientation you will learn tips from students, faculty, and staff members who will serve as your guides during your time at Bryn Athyn. The Peer Advisory Counselors (PAC) and Resident Assistants (RAs) will be present throughout orientation, and as current students, they are ready to answer your questions about life on campus.

New Student Orientation also provides you with a chance to meet other incoming students. Be prepared to meet new people, and to make new friends!

Please take the time to review the enclosed Orientation schedule, which is relevant to your student status. During Move-In Day you will have access to several offices from 11AM-3:00PM. These offices include seeing financial aid, health services, IT, security, library, and the bookstore.

We look forward to seeing you!
