## Organization

Bryn Athyn College is a part of the Academy of the New Church, which was incorporated under the laws of the Commonwealth of Pennsylvania on November 3, 1877. The Academy serves the purposes set forth in Article II of its charter: “propagating the Heavenly Doctrines of the New Jerusalem and establishing the New Church signified in the Apocalypse by the New Jerusalem, promoting education in all its various forms, educating young men for the Ministry, publishing books, pamphlets, and other printed matter, and establishing a Library.” On January 18, 1879, the charter was amended to authorize the Academy to confer degrees and grant diplomas as do other colleges and universities.

## Accreditation

Bryn Athyn College of the New Church is accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104. 267-284-5000 ([www.msche.org](http://www.msche.org)). The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation.

## Mission Statement

(Adopted May 2013)

Bryn Athyn College of the New Church serves as an intellectual center for all who desire to engage in higher education enriched, guided, and structured by the study of the Old Testament, New Testament, and theological writings of Emanuel Swedenborg. This education challenges students to develop spiritual purpose, to think broadly and critically from a variety of perspectives, and to build intellectual and practical skills. The ultimate purpose is to enhance students’ civil, moral, and spiritual life, and to contribute to human spiritual welfare.

BAC achieves this mission by:

- Offering undergraduate and graduate liberal arts and science programs that integrate academic and New Church spiritual perspectives.
- Enriching students’ physical, social, and spiritual lives by providing purposeful, student-centered programs and services guided by New Church principles.
- Educating and training priests for service in the General Church of the New Jerusalem.
- Preparing education students to be successful teachers in public, private, or New Church schools.
- Supporting research that advances secular and New Church thought.
- Providing library services to support the academic programs and New Church collections and archives for use throughout the world.
- Recruiting and retaining students who can contribute to and benefit from the institution’s mission.
- Ensuring fiscal stability and resource stewardship to support the mission of the College.
- Engaging friends and alumni, inspiring philanthropic support, and advancing the transformative mission of Bryn Athyn College.
- Developing and maintaining facilities, infrastructure, and grounds to serve the educational, aesthetic, and spiritual values of the institution.
