The screenshot shows a web browser window with the URL [cvs.com/minuteclinic/covid-19-testing](https://www.cvs.com/minuteclinic/covid-19-testing). The page features the Minute Clinic logo and navigation links for Clinic Visit, Video Visit, Insurance & Pricing, and Pay Bill. The assessment form contains the following questions and options:

- Have you been prioritized for testing by a medical professional?  
 Yes  No
- Have you previously tested positive for COVID-19?  
 Yes  No
- In the past 14 days, have you had known or suspected exposure to the SARS-CoV-2 virus or a COVID-19 patient? (e.g. been exposed to someone with COVID-19 or been in a large public gathering where exposure is suspected)  
 Yes  No
- Do you live or work in a special setting where the risk of COVID-19 transmission may be high? (This may include long-term care, correctional and detention facilities, homeless shelters, assisted-living facilities and group homes.)  
 Yes  No

At the bottom, there is a checkbox for acknowledgment:  I acknowledge that I have answered these questions truthfully to the best of my knowledge. I understand that I must perform my own nasal swab or bring someone to do it for me. See [how swabbing is performed](#).

Buttons for **Submit** and **Cancel** are located at the bottom left. A **Feedback** button is on the right side, and a home icon is at the bottom right.

6. When you click submit, you will be directed to a scheduling page that will help you locate a testing site near you. Turnaround time may be as long as 10 to 14 days, so please plan accordingly. Also be sure to ask the site how you will receive your test results. Please bring a copy of the test result with you to campus. Faxing in an advance copy to the health center to 267-502-6024 will help expedite your return to campus.
